## PRINCIPAL'S REPORT – Shiona Hobart

Term Two has been busy as anticipated! I would like to take this opportunity to thank Mrs Kristy Fitzpatrick who was our Deputy Principal while Ms Campbell took some well earned Long Service Leave. Kristy certainly stepped into her new role with ease. I look forward to working with her in the role at a later stage this year.

### STAFFING

Last week we were very sad to farewell Miss Tia Rauch. Tia has been an important staff member in her role as AIEO for the senior students for the past two years. Tia and her husband Johnny are travelling back east and are excited to be starting up their own business. We thank her for her important work at Peg's Creek and wish them both the best of luck.

### PEG'S GOT TALENT

The Prefects have been working hard behind the scenes of this year's Peg's Got Talent. They have spent seven lunchtimes judging some great auditions. Thank you to all those who made time to rehearse and enter. Prefects acknowledged the use of the Keys to Success during Peg's Got Talent auditions in particular confidence and persistence. All acts were judged on: Creativity, Originality and Talent. We had 25 entries, covering gymnastics, dance, a ventriloquist act, poetry, magic and piano. Congratulations to the following people who were in our semi-finals on Monday and Tuesday this week. Blake and Dale, Anna, Ebony and Milly, Lauryn and Rhaeja, Harry, Henry and Luke, Rory Goes, Taylor Ferne and Allysa, and Clive. Our 2017 Peg's Got Talent champions were: Year 1-3: Henry and Luke McParland, and Year 4-6: Dale and Blake Richards

### ANNUAL SCHOOL REPORT 2016

All schools are required to publish an annual report. Our School Board has ratified the document and I encourage our school community to take the time to read it. The report includes certain departmental requirements such as: contextualised information about student achievements, progress on identified priorities, annual budget and account information, highlights of the school year, parent, student and teacher satisfaction survey information. If you would like to read the document please go to the following link which can be found on our website: <http://pegscreekps.wa.edu.au/annual-report/>

### 2017 LAPTHON

Our Lapathon was held last Friday- once again a very successful whole school event. Staff were blown away by how many laps students completed and the sense of fun that everyone involved had. We are also impressed by our parents who are fit and enthusiastic! Thank you to Mrs Fitzpatrick, Mr Young and Miss Oakley for their contributions to ensure the Lapathon was ready to go! We would like to remind families that Lapathon money needs to be handed to the front office by Friday, 2 June. Money raised from this year's Lapathon will be used to purchase new playground equipment so I encourage the school community to help with this through their donations.

EXCELLENCE IN TEACHING AND LEARNING

**AWESOME AUTHOR BOARD**

As part of our whole school Talk 4 Write program we have a new initiative that started this term. There is a display featuring writing from every class in the front office. Please take time to visit the office and read work from this term's Awesome Authors! We will publish different authors each week on Facebook.

**OUR CONFIDENCE KEY**

The focus for this term is Confidence. This is frequently achieved through your child experiencing success which is something that should happen about 80% of the time to build confidence. There are times when your child will not be successful, however using the Confidence key they should be able to face the challenge and/or setbacks.

Showing confidence could like any of these:

I Can Do It: thinking that I'm more likely to be successful than I am to fail. Accepting Myself: not thinking badly about myself when I make a mistake. Taking Risks: thinking that it's good to try something new even though I might not be able to do it. Being Independent: thinking that it's important to try new activities and to speak up even if my classmates think I'm silly or stupid. Watch for other behaviours in your child that show that they are CONFIDENT

**YEAR 6  
BROOME  
CAMP**

The Year 6 students have been busy preparing and planning for their exciting trip to Broome Camp School in Week 9. Mrs Fitzpatrick and Miss Oakley, joined by Mr Brad Goes as a parent volunteer, will all be supervising and looking forward to watching the Year 6's build independence and confidence as students step out of their comfort zone for a week. Many fun excursions and activities are planned and we're sure everyone will make many lasting memories of their last year of primary school. Keep checking Facebook for updates during Week 9!

**LEADERSHIP**

**DEPUTY REFLECTIONS**

I was honoured to be able to step up into the Deputy Principal role while Lisa enjoyed some Long Service Leave in Week 4 and 5. It was great to visit classes and see lots of students for their great work! I also enjoyed being able to join in all of the collaborative meetings to see what other teams are working on and what is going on in their little space. It was a huge learning curve and I would like to thank Karen, Bev and Shiona for all of their support during my time in the office. For now, I am excited to get back into my classroom, but I am looking forward to further my experience as Acting Deputy later in the year.

## National Bike Register

### How it works

The National Bike Register has been developed in partnership with Police, Crime Stoppers Australia and Data Dot Technology Ltd and allows owners to log information for FREE about their bicycles and bike parts onto a secure database.

Police are able to access the database to verify ownership and details of the bicycle, which can assist Police return property to the rightful owner or refute ownership claims by someone in possession of a stolen bicycle.

### What do I need to do?

Add your details on the National Bike Register
- 2 Mark & Protect**  
Mark your bike with your (or a family member's) driver's license number using a UV marker pen\* or other security marking kits
