Standalone bushfire plan 2021-2022

Pegs Creek Primary School

Purpose

The *Standalone bushfire plan* document is a detailed plan of how your school is to prepare and respond to a catastrophic fire danger rating alert or to a bushfire event.

You must complete this template to have a plan in place to respond to a bushfire emergency until, during and after the attendance of Emergency Services. This plan is to be read in conjunction with the Department of Education *Principal's guide to bushfire*.

All staff, students, contractors and visitors on the school or facility site are to follow this completed plan in the event of a bushfire emergency. All other emergencies are to be managed in accordance with the school's [incident management plan](#).

You are required to complete and lodge your plan online by the 31 August, before the bushfire season begins.
