Students from Pegs Creek Primary School recently showcased their creativity and talent at the prestigious Cossack Art Awards, putting their skills into practice to create truly outstanding works of art.

BEST OVERALL: Audrey Wilkinson's *A Dark World*

Judges' Comments:

We are thrilled to award the overall prize to this captivating and emotionally rich work by one of our youngest entrants. 'A Dark World' drew us in immediately with its powerful use of dark tones, layering and texture. It reveals a stirring depth of thought and a sensitivity that stayed with us long after viewing. It is mysterious, and we are curious to know more about its meanings. This type of reflection is prompted by great art. We were deeply impressed by the artist's creativity and confidence, and hope this recognition encourages them to keep creating. There is so much promise and potential in their work.

Congratulations to all involved!

Busselton Jetty Visit

Pegs Creek Primary School was recently part of Busselton Jetty's first ever Pilbara Roadshow! Our Year 1 and 2 students enjoyed learning about how to keep our ocean clean and got to have an 'underwater' experience with VR headsets.

Flourishing Individuals

High Quality Teaching

Teachers have been investigating the latest NAPLAN data in a staff meeting, including looking at the progress of students from On-Entry in Pre-primary. This information will be transferred into English and Mathematic Daily Reviews. If you have any questions about your child's NAPLAN results, please make an appointment with their classroom teacher.

Strong Health & Wellbeing

We continue to work with Faime Chappell, Heart Horses, this Friday 15th August and again on 22nd August. It is an amazing opportunity for students to engage with the horses in a safe manner.

Berry Street Training

This week we had Cohort 5 undertaking Berry Street training, which is a trauma-informed practice that supports all students. We now have over 75% of our staff trained. You will hear us using the language of Morning Circles and how it sets us up for the day. Our next Cohort to undertake this incredible training will be happening soon.

Clontarf

A fantastic Super Training session was conducted by our Clontarf team on Friday morning at Tambrey Oval. Students engaged with Nerf Wars, Tug of War, Dog and Bone and an Obstacle Course made all the more fun with Zorb balls.

Our new PBS focus is 'At Peg's Creek, we talk to students, staff and community members using kind and polite words'. It falls under the value 'Respect' and will be our behaviour focus for weeks 5, 6 and 7.

How can we demonstrate this behaviour?

- We listen attentively and pay attention to what others are saying.
- We do not interrupt when they are speaking and show interest by listening or asking questions.
- Use positive words.
- Say sorry when you need to.
- Use positive body language.
- Say please and thank you.

First national support line for Aboriginal & Torres Strait Islander people in crisis

13YARN [Thirteen YARN] is the first national crisis support line for mob who are feeling overwhelmed or having difficulty coping.

We offer a confidential one-on-one yarning opportunity with a Lifeline-trained Aboriginal & Torres Strait Islander Crisis Supporter who can provide crisis support 24 hours a day, 7 days a week. 13 YARN empowers our community with the opportunity to yarn without judgement and provide a culturally safe space to speak about their needs, worries or concerns.

If you, or someone you know, are feeling worried or no good, we encourage you to connect with 13YARN on 13 92 76 (24 hours/7 days) and talk with an Aboriginal or Torres Strait Islander Crisis Supporter.

This is your story; your journey and we will take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

Our vision is to achieve a nation free of suicide. We know the current statistics for suicide and self-harm for Aboriginal people are disproportionately high. To tackle this problem head-on, this service will be led by an Aboriginal and Torres Strait Islander Advisory Board and employ professionals in suicide prevention and crisis support utilising Lifeline's extensive experience and infrastructure.

13YARN is an Aboriginal & Torres Strait Islander crisis support line funded by the Australian Government with the support of Lifeline and developed in collaboration with Gayaa Dhuwi (Proud Spirit) Australia. It is run by Aboriginal and Torres Strait Islander people.

We have co-designed this line using Lifeline expertise with several Aboriginal mental health professionals including NACCHO, Black Dog Institute Aboriginal Lived Experience team and the Centre for Excellence in Suicide Prevention along with input from Torres Strait Islander, remote, regional, and urban peoples with lived experience.

We work to explore options for ongoing support and community members will always be reassured they will be connected to another Aboriginal and Torres Strait Islander person who will understand where they are coming from and value knowing HOW to listen, without judgement or shame.
